Story 3: The Lost Honey Drop

Craft 1

My Honey Drop

Little Wonder Studio

Let's make a shiny honey drop just like in the story!

You will need:

- Scissors
- Glue
- Yellow paper or cardstock
- Clear tape (optional)
- Crayons or markers

Steps:

1. Color the honey drop.

2. Cut out all the pieces carefully.

3. Glue the wings on the back of the honey drop.

4. Glue the bee on top of the honey drop.

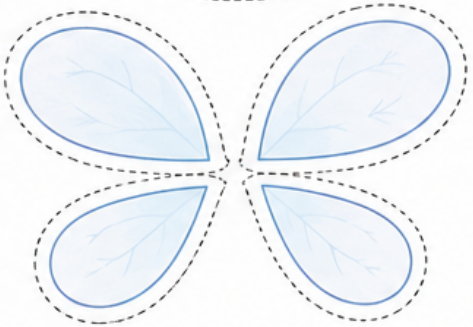

5. Your honey drop is ready!

Cutting Pieces

Cut along the dotted lines.

Craft 2

Honeycomb Craft

Little Wonder Studio

Let's make a honeycomb just like the bees live in!

You will need:

- Yellow paper or cardstock
- Scissors
- Glue
- Black marker
- Optional: string or yarn

Steps:

1. Cut yellow paper into equal strips.

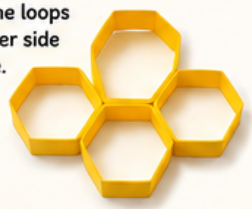

2. Take one strip and make a loop. Glue the ends together.

3. Make more loops with the rest of the strips.

4. Glue the loops together side by side.

5. Keep adding loops and gluing until you make a big honeycomb.

6. Draw a cute bee and add it to your honeycomb!

Great job! Your honeycomb is ready!

Story 3: The Lost Honey Drop

Craft 4

Bella and Her Friends

Little Wonder Studio

Bella and her friends are working together to find the lost honey drop!

You will need:

- Paper or cardstock
- Scissors
- Glue
- Crayons or markers
- Googly eyes (optional)

Steps:

1. Draw and cut out Bella and her friends.

2. Color your characters and add googly eyes (if you have).

3. Draw and cut out a big honey drop.

4. Arrange your a paper or cut the honey drop.

5. Your teamwork is ready!

Tip: You can add a flower, a leaf or a small sign that says "Friends Help Each Other!"

Great job! You have wonderful friends!

Story 3: The Lost Honey Drop

Craft 5

A Bridge to Help Friends

Little Wonder Studio

Bella and her friends built a bridge so everyone could cross and help find the lost honey drop!

Let's build a bridge together!

You will need:

- Paper or cardstock
- Scissors
- Glue
- Crayons or markers
- Ice cream sticks or strips of brown paper
- Googly eyes (optional)

Steps:

1. Cut out a green hill on both sides of the paper.

2. Make a bridge using ice cream sticks or brown paper strips.

3. Glue the bridge between the two hills.

4. Draw and cut out Bella and her friends.

5. Glue them on the bridge.

6. Decorate your scene with clouds, sun, flowers and grass.

Great job! You helped Bella and her friends find the honey drop! ♥

Tip: This bridge shows that helping friends makes everyone happy!

Story 3: The Lost Honey Drop

Craft 3

Bee Finger Puppet

Little Wonder Studio

Let's make a cute bee finger puppet!

You will need:

- Yellow paper or cardstock
- Black paper
- Scissors
- Glue
- Googly eyes (optional)
- Markers or crayons

Steps:

1. Cut a yellow strip of paper.

2. Wrap the strip around your finger and glue the ends together.

3. Cut out two black strips for the bee's stripes.

4. Glue the black strips around the yellow body.

5. Cut out wings, antennas and a smiling face.

6. Glue everything on your puppet. Your bee is ready!

Buzz Buzz!
I'm a happy little bee!

Great job! You made a wonderful bee!
